October 25, 2001

NEW BUSINESS

Commissioner Sessa expressed his concern regarding the 42nd District Court. The issues regarding the court need to be put on a committee agenda and dealt with.

Commissioner Kolakowski acknowledged receipt of a package of correspondence from the City Manager of Sterling Heights. Apparently there has been miscommunication or a lack of communication in reference to the grant for the renovation of the rest rooms at Freedom Hill. These issues need to be resolved.

Commissioner Frascchetti, with regard to the Organizational Committee Meeting for the year 2002, said the rules committee should take up the issue of the two-year term for chairman prior to that meeting so the county rules do not conflict with the state law.

Commissioner Lund indicated that the Rules Committee is looking into that issue and is still awaiting legal opinions. According to the state law it specifically is a two-year term unless a resolution is passed making it a one-year term.

Commissioner Szczepanski expressed concern that the county rules still state that a chairman will be elected every year. The county rules were never changed to reflect the state law of a two-year term for chairman.

Commissioner Lafferty reminded everyone the Ad Hoc Committee on the Macomb County Annual Report is looking for suggestions on revamping of the report.

Commissioner Sawicki thanked the board for the appointment to the Southeast Michigan Council of Governments. (SEMCOG)

Commissioner Sauger thanked the board and department heads for the courtesy extended to the Public Safety Officers from the city of Center Line.

PUBLIC PARTICIPATION

Frank Taylor, Sterling Heights

Thanked the board for their support and confidence. Honored to serve the board and the residents of Macomb County as the new Director of Macomb County Community Services Agency.

Louis Mioduszewski, Director, Macomb County Emergency Management

Thanked Commissioner Sauger for recognizing those individuals from the Center Line Public

Safety for what they did on September 11th. He also wanted to acknowledge the efforts of the Macomb County Emergency Management System.
